

Series25® Professional Consulting Services

We're pleased to provide comprehensive, professional implementation and training services for our Series25 customers. You can count on CollegeNET's seasoned scheduling experts for a fast, thorough, and successful implementation.

"Implementation was very thorough. We were in very capable hands with the CollegeNET technical team. And, of course, there's the smooth integration with Workday. All data updates are automatic and fast. Information is current within minutes, so we don't have to think about administrative fixes anymore. than EMS!"

Beverly Roth

Director of Facilities Scheduling and Events, University of Findlay

"The biggest thing has been how great the customer service is. This was a big sticking point for us after our experience with our previous vendor. Beginning with the implementation (which was fantastic!), CollegeNET has always made us feel like the University is valued and listened to."

Kylea Swanson

Director of Camps Scheduling and Event Services, University of Tennessee, Knoxville
